"TRUE BLUE"
AS WE LOOK UPON
THE REFLECTIONS OF OUR SENIOR YEAR
MEMORIES OF THE PAST
BEGIN TO MATERIALIZE
IN OUR MINDS;
THE FIRST DAY OF HIGH SCHOOL,
THE TIMES WE CHEER ON
OUR HOME TEAM,
THE DANCES
WHICH HELD MAGICAL MOMENTS
AND MOST IMPORTANT,
THE FRIENDS WHO STOOD BESIDE US
THROUGH IT ALL.

EVERYTHING THAT WE'VE EXPERIENCED
DURING THE PAST FEW YEARS,
WILL BE WITH US FOREVER,
TO FALL BACK ON
AND CARRY US THROUGH
THE TOUGH TIMES
AND THOUGH WE MAY GO
OUR SEPARATE WAYS,
THAT SPECIAL BOND
WILL ALWAYS BE THERE.
THE BOND OF THE
TRUE BELIEVERS,
THE BOND OF THE
"TRUE BLUE"

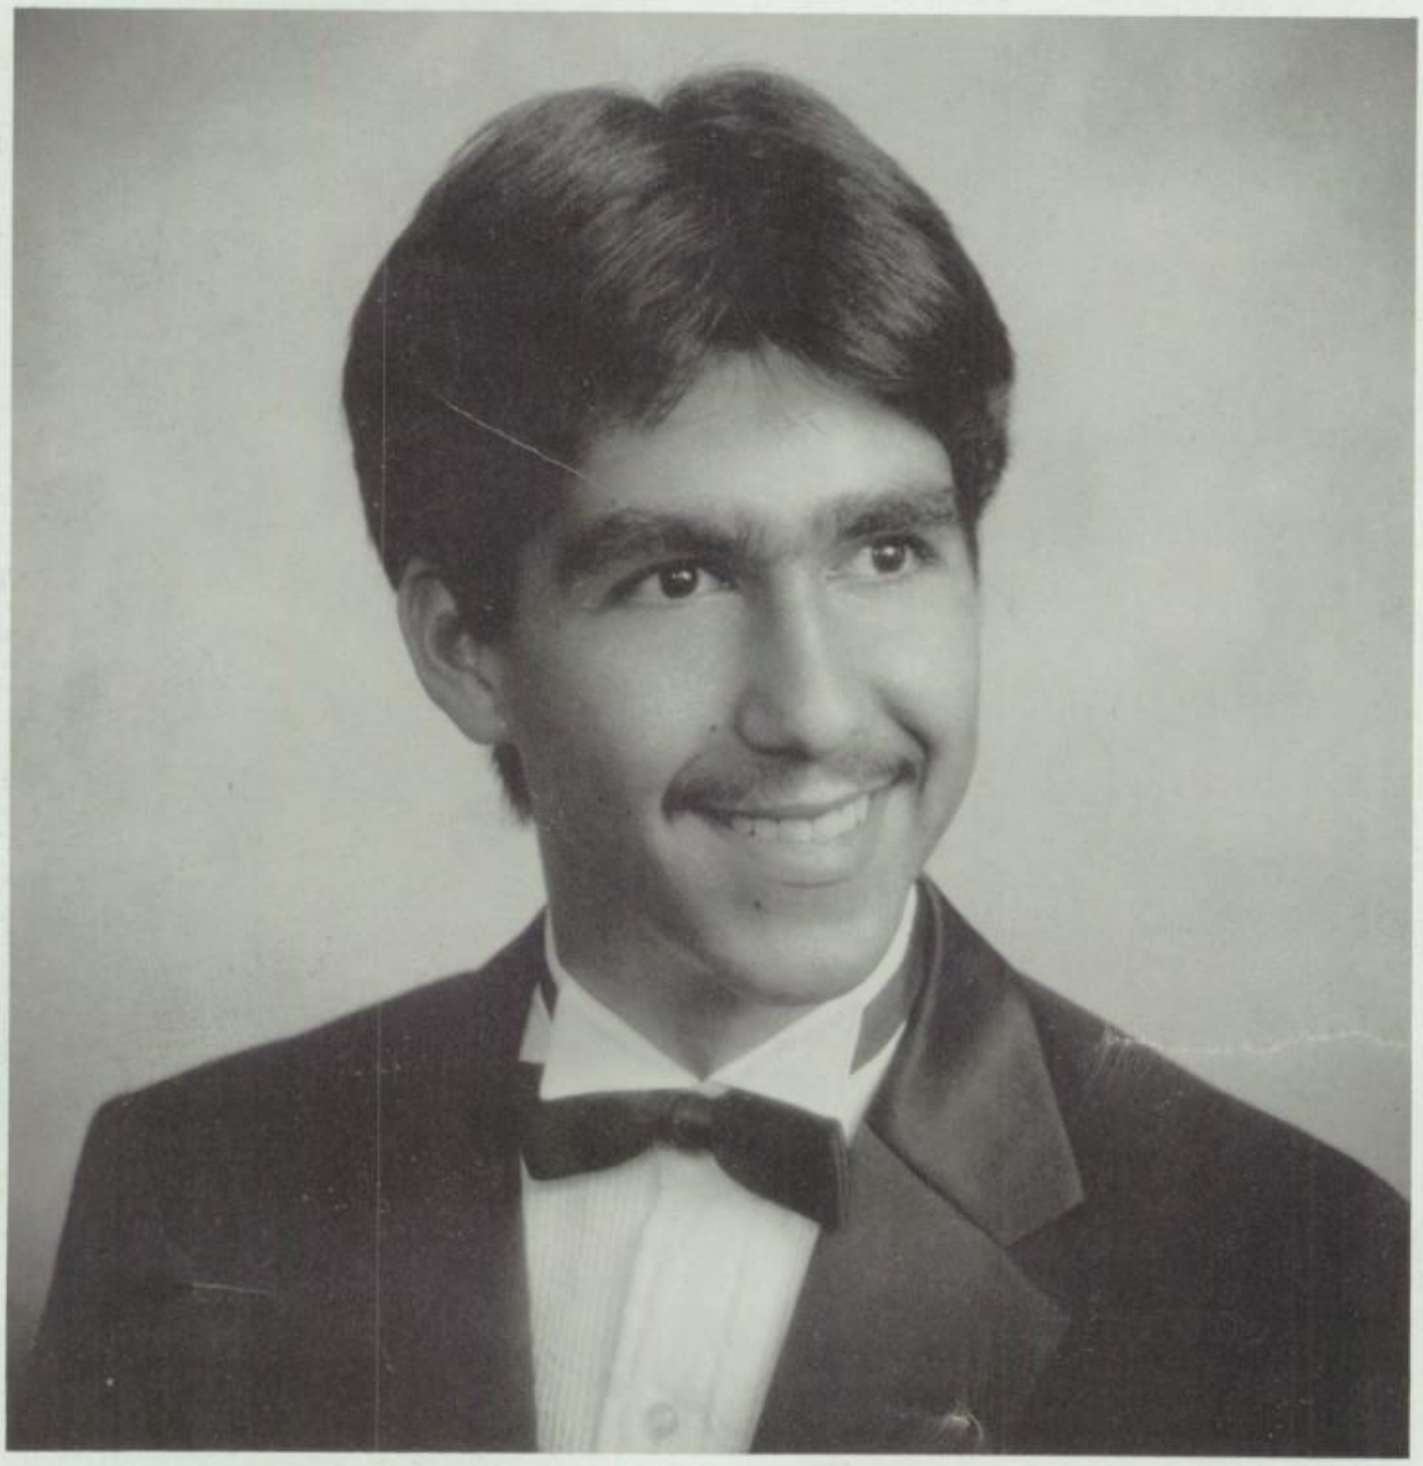
BOYS STATE



Fred Goya was chosen as representative of Chula Vista High School to California Boy's State in Sacramento. Boy's State is a seminar of political science for exceptional students of schools throughout California. The students are chosen for their academics, leadership, and attitude. The purpose of Boy's State is to teach them the different aspects of our government. Fred learned a great deal and it has become one of his most memorable experiences.

SPARTANETTES

Spartanettes of now and to come. For those who are now, we all have worked so hard to get where we are. With putting in at least 20 hrs. or more a week of practice. We are like one big family that must separate for now. Some will stay and carry on; but for us five seniors, it's time to say our Good-bye. So as the seniors go there separate ways we all know one thing. Spartanettes will always be in our hearts . . . Thanks Leti

M.E.Ch.A.

Chula Vista M.E.Ch.A.'s (Movimiento Estudiantil Chicano de Aztlan) goal has always been to encourage students to further their education. M.E.Ch.A. was born from concerned and dedicated students from across Aztlan to meet the demands of our growing community of Chicano, Latino and Mexicano students by promoting self-identity and self determination. M.E.Ch.A. gives students an opportunity to participate in activities that promote pride and awareness, for example: The M.E-.Ch.A. Homecoming float; the S.D.S.U. M.E.Ch.A. High School Leadership Conference; X-mas Toy exchange from the members for the Children of Flores Magon in Tijuana; walking precincts for school board candidates.

In addition, M.E.Ch.A. is also cultural, linking the C.V.H. School campus and the community in the Cinco de Mayo Celebration which is a culmination of our year's activities. M.E.Ch.A. is more than a name-it's a working active organization bring together our brothers and sisters in the spirit of unity and pride in our heritage.

VARSITY FOOTBALL

1986

1987

The 1986 Football Season will long be remembered by everyone involved in the football program, school, and community. This was the year that Chula Vista beat Sweetwater for the Metro League Championship. It was the year that the intimidation and mystic of playing Sweetwater was lost forever! The entire season saw our team develop and come together as a team almost to be lost because of the setback to Montgomery in game 9. "We beat ourselves" and we almost fell apart. The team, the coaches, parents, friends and community would not let all the work, effort, and time spent this year be wasted! Pride and a belief in ourselves made our season "one to remember!"

LOOKING BACK

Yes Spartans, it is hard to believe, but our favorite teachers once looked very different than they do today. (Well, Maybe with the exception of Mr. Weed). It is interesting to note that Mr. Neil did not always have curly hair and a moustache. Mr. Barcus on the other hand, had hair and sideburns Mr. Weed and Mr. McLean would be envious of. It appears that Mr. Collins and Mr. McElyea were very handsome in their "younger" years. Mr. Hummelman and Mr. Head always had a serious expression on their faces. Mr. Amonette and Mr. Taylor flashed a nice smile. Even without his glasses and beard, Mr. Rodriguez was a real cutie. And finally, who could believe Mrs. Terry was into the B 52's look.

DEDICATION

It is with great honor that this year's Scroll Staff and its advisor, Mr. Stevan Vela, dedicate this annual to Mr. Joshep Rodriguez.

"Mr. Rod" as we affectionately call him, will be retiring after an admirable teaching career of 31 years at Chula Vista High SChool. His dedication as a teacher and friend, has earned him respect and admiration from students and faculty. His absence from our school will be greatly felt.

When asked what some of his fondest memories at Chula Vista High School were, Mr. Rod replied that he very fond memories of former students who had gone on to college and become teachers. He also warmly remembers his English 10 class, with whom he built up a great friendship.

Mr. Rod says he will miss the other staff members at CVHS, with whom he has been friends for many years. Also after 31 years, he will greatly miss teaching. Mr. Rodriguez believes that a career as a teacher is the most noble, because one has the opportunity to have an impact on kids and make their lives more meaningful. Those of us who have been in his classroom, know that Mr. Rod has done exactly this, his warm and understanding nature has left us with many fond memories of him which will stay with us forever. It is teachers like him that make high school special.

Mr. Rodriguez is an exemplary teacher, and we sincerely hope CVHS will continue to have quality teachers like him in the future. His warmth, dedication, and love of teaching will make his departure a very sad one for CVHS.

After graduation, Mr. Rodd is hoping to do some traveling if possible. He is also thinking about doing volunteer work for the school district, and help make some changes which are greatly needed. We wish Mr. Rodriguez continued prosperity in the future, and thank him for everything he has contributed to our school and our lives.
